## David's Ride July 06, 2013

Consider making the trip to McQueeney, Texas in 2013 to honor our beloved pastor, father, husband and friend, David Eikenburg, who died tragically in a cycling accident on July 11, 2005. He died doing what he loved, but his first love and passion was to share the love of Jesus. Every year we honor him with this bike ride, remembering what he loved, and then to glorify God by continuing David's legacy and passion for spreading the Good News to people everywhere. All proceeds go to Camp Agape, a Christian bereavement camp for children who have lost a loved one.

The date for our 8th annual ride will be held Saturday July 6, 2013. You can get involved even if you don't cycle. We are always in need of donations and volunteers, so please let us know if you would be interested in serving God through this ministry.

## Footprints In The Sand

One night I had a dream...  
I dreamed I was walking along the beach with the Lord,  
and across the sky flashed scenes from my life.  
For each scene I noticed two sets of footprints in the sand;  
One belonged to me, and the other to the Lord.  
When the last scene of my life flashed before us,  
I looked back at the footprints in the sand.  
I noticed that many times along the path of my life,  
There was only one set of footprints.  
I also noticed that it happened at the very lowest  
and saddest times in my life  
This really bothered me,  
and I questioned the Lord about it.

"Lord, you said that once I decided to follow you,  
You would walk with me all the way;  
But I have noticed that during the most  
troublesome times in my life,  
There is only one set of footprints.  
I don't understand why in times when I  
needed you the most, you should leave me.  
The Lord replied, "My precious, precious  
child. I love you, and I would never,  
never leave you during your times of  
trial and suffering.  
When you saw only one set of footprints,  
It was then that I carried you

## We Had a Great Time at Camp this Past Summer!

Camp Agape bereavement camp for children was held July 12<sup>th</sup> through July 15<sup>th</sup> at the Highland Lakes Camp on Lake Travis. The camp was blessed with the opportunity to bring the healing love of Jesus Christ to 40 children. These children were grieving the loss of a close family member; a mother, father, brother or sister, or grandparent. It was an activity filled weekend with the children having fun and also participating in therapeutic activities led by professional counselors, Tony Collins, Allison Collins, Mark Province, Cindy Reese and Katie Upton.

Thanks to the generosity of Christ Lutheran Church and others, this ministry was brought to the children and their families at no cost to them. A special thanks to the quilters for providing quilts to the children and also to all those who baked cookies and those who generously contributed money. Thank you Chris Bullard for the handmade pillow cases for the children. Tammy Cass made the campers AGAPE bracelets that were well received by all. I wear mine everyday to remind me of the children we all serve in our ministry. Sara Burrage painted CAMP Agape on tote bags for the children, she is just a child herself. It is so nice to see a new generation of kids giving to help other kids. Speaking of kids helping kids, thank you Kaysen Turk for helping Sharon Enderlin with the Agape Gifts this year. The hard work you two did preparing gifts for the children is invaluable. Bri Lindell drove a far distance the first day of camp just to drop off a collection of Beanie Babies for the children. They were adorable. Buddy Amanda Janek made all of the children cork pin a prayer crosses that they can pin their prayers to. Our volunteers are multitalented! Robert Russell, Randy Thoma, Paul Koopman and Dustin Warnake took pictures for us this year. If you did not see the slide show, give me a call and I will mail you a copy. Larissa Humann helped us pull together a wonderful presentation. Paul brought his portable studio and took professional pictures of the kids with their buddies. They all did a fantastic job capturing how wonderful our camp experience was this year. Thank you to all of the high school helpers that did the grunt work for us. Under the watchful eyes of Gretchen McCoy, JD Hansard and Krysta Huckabee, they unload and reload the trailer, put activities together and tear them down, this year they help lead music for the children too. You are all wonderful young adults and we are so glad you choose to help us this year. Speaking of music, thanks Kurt Coble for coming all the way from Nashville, TN to lead our music. Kurt even wrote a song about camp for the kids! Pastor Jeff McAnally came to be our spiritual leader. Thank you for all of your guidance at camp. Kim Hansard was all over camp this summer. She helped with snacks and she organized our inventory. WOW, that was a big job! Kathryn Goy and her two daughters came from Arkansas and pitched in at the last minute too. Kathryn worked tirelessly helping organize camp paperwork. Betty Will brought her mini horses for the children to enjoy. This is always a favorite of our campers. Where would we be without Buddies? Thank you to all who took extra time out of their busy lives to help a child in need of a friend. This year Joe Duffy and Joe Vogel served as "buddies" to two of our young boy campers. Neva and Elmer Friedrich and Bonnie Thoma worked hard providing snacks to the children and volunteers. We encourage others who might be interested in participating as a volunteer at next year's camp to visit with Neva, Elmer, or one of the Joes. The founder of Camp Agape, Kim Turk, served as our Volunteer Coordinator this summer. I think she kept chocolate in her pocket to give the buddies a pick me up during the day. Kim's obedience to God's calling is why we are all together serving children with broken hearts. Thank you Kim. You and God changed my life through Camp Agape.

As you can see, it requires a large number of volunteers to make Camp Agape a reality. Please keep this ministry in your prayers. Camp Agape faces challenges each year but with the continued support of generous donors' and volunteers, this healing ministry will continue.

Blessings to all!

~galyn Camp Director

## We are Making a Difference

My son and daughter were blessed beyond measure this summer at Camp Agape. I can testify that Camp Agape was a life changing experience for both of my children. What a difference a few days can make! My kids felt so close to God and were filled with hope and peace.

The experience at Camp Agape far surpassed other forms of therapy and support my children have received. The therapists and "Buddies", combined with the activities, definitely made Camp Agape worth our long drive from Oklahoma.

My kids didn't feel different there, being with other kids who experienced losses. There was excitement in their voices when they told me about the activities they participated in. The most awesome thing about the activities is that the kids do not feel like they are receiving therapy, and therefore feel safe expressing their grief.

Of all the blessings my children received at camp, the most helpful was HOPE. My daughter shared she learned that just because something horrible has happened, it doesn't mean she should live the rest of her life in fear of more tragedy. This greatly impacted her perspective on her life. The therapy my children received was intense and it did a world of good. My children learned coping skills that they were able to apply to their lives. The tools they brought home were so helpful.

Camp Agape is a special place with exceptional people where my children were comforted by the promises of God. I am forever grateful to you for touching my children's lives and healing their hurting hearts.

God Bless!

You have the opportunity to hear a testimonial from one of our past children who served as a helper this year. It can be viewed at <http://youtu.be/HKKJIZKqJYA>. Next year, he plans on returning to serve as a "buddy" to one of our children.

As the season of Thanksgiving approaches, we are reminded to reflect on all that God has provided for us. This is also the perfect time to acknowledge others who have blessed us! On behalf of Camp Agape we want to express our sincere gratitude for your financial support of our ministry for grieving children! In Galatians 6:2 it asks us to "carry each other's burdens, and in this way you will fulfill the Law of Christ." Through your gifts we are able to continue our mission to provide support to little hurting hearts and share about God's love and promises, even in our times of despair!

We look forward to watching how God will grow and use this ministry to continue to serve grieving children here in Texas and beyond. We believe God can dream a bigger dream for us than we can ourselves! Thank you again for your gifts of support.

May God bless you as you have blessed Camp Agape!
